Knights of Columbus Announces Fund to Help Christians Threatened with Extinction in Iraq

8/11/2014

Commits \$1 million and seeks public donations for humanitarian aid to religious minorities

Knights of Columbus Announces Fund to Help Christians Threatened with Extinction in Iraq
Donate | Prayer for Iraq

The Knights of Columbus announced today that is establishing a fund to assist those – particularly Christians as well as other religious minorities – facing a horrific and violent persecution and possible extinction in Iraq and the surrounding regions.

The Knights has pledged an initial \$500,000 and will match an additional \$500,000 in donations from the public.

“The unprovoked and systematic persecution and violent elimination of Middle East Christians, as well as other mi-

nority groups, especially in Iraq, has created an enormous humanitarian crisis,” said Supreme Knight Carl Anderson. “Pope Francis has asked the world for prayers and support for those affected by this terrible persecution, and we are asking our members, and all people of good will, to pray for those persecuted and support efforts to assist them by donating to this fund.”

Anderson added: “It has shocked the conscience of the world that people are systematically being purged from the region where their families have lived for millennia – simply for their faith. It is imperative that we stand in solidarity with them in defense of the freedom of conscience, and provide them with whatever relief we can.”

Those seeking to assist with the relief efforts can donate to K of C Christian Refugee Relief by visiting www.kofc.org/Iraq or by sending checks or money orders to: K of C Christian

Worthy Brothers, thank you for your participation in our Grand Knights Workshop that was held in Columbia on July 26th. It was great to see so many of you there for this learning session. It was packed with great information. Not really enough time to cover everything we needed to cover. We have ask for feed back on how we can improve our meeting and many of you have sent very positive comments that will help us with our upcoming meetings. Regional Meetings are coming up as follows: Saturday September 13th 1:00pm to 4:00pm at Council 1668 in Greenville. Sunday September 14th 1:00pm to 4:00pm at Council 6726 Hanahan/ Goose Creek and Saturday September 20th 1:00pm to 4:00pm in Columbia location TBA. We invite all Officers to come join in the very informal session, bring your ideas and thoughts to share with other councils in your area. Dress will be sport shirt and slacks. Look forward to seeing you all there.

The 132nd Supreme Convention was held on August 4th through 7th in Orlando Florida. Your State was well represented by all State Officers and guest. This is a breathtaking event to be able to meet and greet Cardinals, Bishops, Priest, Supreme Officers and State Officers from all over the world.

Carl Anderson , Supreme Knight theme this year is "You will be Brothers— Our Vocation to Fraternity" which was drawn from Pope Francis message for the World Day of Peace. His message; "without fraternity it is impossible to build a just society."

The First-Class Relic of Saint John Paul II a beautiful icon to honor Saint John Paul II was entrusted to the Knights of Columbus to foster devotion at the Order's Saint John Paul II National Shrine in Washington D.C. At the center of the relic is a glass ampoule that contains the saint's blood, which remains in liquid state. Surrounding the relic is a nimbus shaped like flames, decorated with 12 red stones to representing the Twelve Apostles and with rays projecting downward. With slogan "The Fire of Mercy needs to be passed to the World." Saint John Paul II likeness is depicted

This fall, we will be having three young men join the ranks of seminarians for the Diocese of Charleston. Please keep these three men in your prayers as they discern the call of the priesthood. They have a long journey ahead of them (6 to 8 years) and need all the support that they can get from the Knights. Michael Cellars is a Charleston native and is the oldest of three siblings. In the fall, he will be in first year pre-Theology attending St. Mary's Seminary in Houston Texas and is from St. Mary of the Annunciation in Charleston. He has always been open to the idea of becoming a priest. In 2004, he attended the Pontifical College Josephinum in Ohio, but left after 18 months of study. He wasn't ready then, but never stopped thinking about going back. After leaving seminary, Michael continued to serve the Church in many capacities. After completing his degree in Business Administration at the Citadel, he decided he was ready to pursue his life-long dream to become a priest. He feels that the priesthood is where he is meant to be and where he is supposed to serve.

Rafael Ghattas was born in Alexandria, Egypt and was raised in a loving Catholic home. He is the oldest of 5 siblings. When he was a young child, his family moved to Houston, Tx and lived there for several years before moving back to Egypt. The thought about becoming a priest first entered his mind at age 16. Rafael attended World Youth Day in Australia and fell in love with the hope and joy he saw in the Church and the thirst the youth had for Jesus. After he received his degree in Mechanical Engineering in Egypt, he returned to the U.S. and settled in Myrtle Beach with his family. The call to the priesthood strengthened. After he attended group discernment meetings, he decided to apply to the seminary. Rafael is a member of St. Andrew's in Myrtle Beach and will be in his first year of preTheology in the fall at St. Mary's Seminary in Houston Texas.

Patrick Judd is one of 6 siblings and was raised in a supportive and loving Catholic family. Patrick is from St. Mary Help of Christians in Aiken. His discernment has been nourished through their support and prayers. Patrick is active in both his high school, where he is class President, and parish, where he serves as an altar boy and Master of Ceremonies. Patrick first felt the tug toward the priesthood when he was in the 7th grade. As he matured, the calling grew stronger. Once he entered high school, God put it on his heart to devote more time and prayer into his discernment. After graduation, he will spend the summer working at a camp in Brevard, NC, before beginning college seminary at Holy Trinity Seminary in Irving, Texas.

Catholic Radio in South Carolina

Do you know what Mediatrix SC, Inc. does? Is it another name for an Obama Care tax? Is it a new flu strain? Is it what Washington is going to call their football team when they can no longer be called the Redskins? No on all three counts! Catholic Radio in South Carolina is Mediatrix SC, Inc.

Mediatrix has a very simple mission statement: To broadcast Catholic programming that communicates Christian truth as expressed in sacred Scripture and Sacred Tradition in accord with the Magisterium of the Roman Catholic Church.

In addition, its goal is to become a conduit of communication for, of and between parishes and apostolates within the Diocese of Charleston while striving to foster a greater sense of Catholic community.

Since its inception, Catholic radio in South Carolina has been dedicated to educating Catholics in their faith, evangelizing fallen away brethren and reaching those who may have an interest in learning more about Catholicism.

Catholic radio is changing lives every day. Comments from listeners and supporters demonstrate that the desire for Catholic teaching is alive and well in South Carolina. In addition to wholesome, quality, family programming, Catholic radio delivers additional benefits, including opportunities to:

- Learn more about the Catholic faith
- Hear world-renowned authors, lecturers, converts and apologists sharing their testimonies
- Learn how to defend your faith
- Discover the Scriptural roots of the Mass and the Catholic faith
- Pray the rosary and other prayers
- Stay current on local parish events
- Hear worldwide news from a Catholic perspective
- Increase understanding of the Bible
- Find sanctuary from the chaotic dissonance of the secular media

Pope Benedict XVI said, "We must not limit ourselves solely to homilies, lectures, Bible courses or theology courses, but we must have recourse also to the communications media for effectively communicating the message of Christ to a large number of people."

We can listen to the current programming by tuning to 1300 AM from Greer, SC, 810 AM from St. George, SC or 730 AM from Charleston, SC. You can listen anywhere any time by streaming or downloading the App for smart phones and smart pads at www.catholicradioinsc.com

The biggest news is that Mediatrix SC, Inc. is extending the

availability of Catholic Radio Programming in South Carolina by assisting more groups interesting in broadcasting. Within the next 2 years in South Carolina Catholic Radio Programming will be broadcasted on as many as nine low power FM stations including two licensed to Knights of Columbus Councils. As the details are completed, more information will be available. For the time being, please support Mediatrix, SC, Inc. in any way possible. Can the Councils and Assemblies help? Certainly by listening and helping others listen to the programming will be a great way to evangelize. If you think spreading the word is important, then you may want to consider putting Catholic Radio in South Carolina on your list for regular donations. The annual Radiothon will be October 16th and 17th. That is a good time to challenge others to support by making a Challenge Pledge. There is an urgent need for on-going support to help with the everyday operating expenses. Please be aware that your State Council has at times supported Catholic Radio in South Carolina with a donation from the State Charity Fund Raiser.

Mediatrix SC, Inc. is a not-for-profit 501(C) (3) Corporation making your donations tax deductible. You can also donate a car, RV, boat, motorcycle, or truck if you happen to have one that is not being used. Just follow the directions at www.catholicradioinsc.com

How about listening to one of the stations when you are in their area or stream the programming on your smart phone or computer and giving some feedback to your council or Assembly?

Donations are tax deductible to the extent allowed by law. Knights of Columbus Charities, Inc., is recognized by the Internal Revenue Service as a charitable organization under section 501(c)3 of the Internal Revenue Code, and 100 percent of all donations collected by Knights of Columbus Charities, Inc., will be used for humanitarian assistance for those Christians – as well as other religious minorities – being persecuted or displaced in Iraq and the surrounding region.

The Knights of Columbus has a long history of providing humanitarian relief and has done so following Sept. 11, 2001; last year's typhoons in the Philippines; Hurricanes Katrina, Rita and Sandy; tornadoes nationwide; flooding in Mexico; and tsunamis in Indonesia and Japan.

In addition, the Knights of Columbus has also long supported persecuted Christians. Throughout the 1920s, the Knights provided humanitarian assistance and created international awareness of the persecution of the Catholic Church in Mexico.

From the State Ceremonials/ Protocol Chairman

Ronald G. Povero, PSD, FM

Worthy Grand Knights and Members of the State Council:

A copy of the awards presented at the Grand Knights meeting is attached for your review and information. Thanks to all the Councils, District Deputies and degree teams for all the hard work. It is time to set your goal and plan to be on the receiving end for next year. If you need help with your degree schedule, call on your District Deputy or any of the State Officers/committee chairmen for help.

The attached charts show the status of each council for First Degrees and the Districts second Degrees for 2014-2015. **If you have had a degree and the status chart does not show it, ask your District Deputy if he has submitted his Form 450 to the State Ceremonial Chairman.** Until he submits his form to the Ceremonial Chairman the chart will not reflect a degree held.

Protocol Input

Worthy Grand Knights and State Council Members,
Relationship between the District Deputy and the Grand Knight

District Deputies are the personal representatives of the Supreme Knight and the State Deputy, and as such, the Grand Knights and council officers should familiarize themselves with the respect due to the important position the District Deputy holds. District Deputies should be neatly and properly dressed when attending meetings or functions, he should be notified as to the dress code for the function he will be attending. When a District Deputy visits a council or attends a function in his district, he should always be seated in front, near the Grand Knight.

The District Deputy should notify the Grand Knight of his councils in writing, or phone, and in advance (one week to ten days) when making an official visit so that all officers will

From the Vice Supreme Master

Gary Mc Lain, PSD, VSM De Soto Province

Worthy Masters and All Sir Knights:

The first month of the new fraternal year has come to an end and we STILL have Assemblies that have not submitted their Officer Chosen Form and Annual Audit. The Officer Chosen Form was due no later than July 1, 2014. August 1, 2014 was the due date for the Annual Audit. Here is how each District breaks down in numbers needed.

Officer Chosen Forms: Florida 33, Georgia 14, Puerto Rico 8, South Carolina 11

North Carolina has 100% reported

Annual Audits: Florida 92, Georgia 29, Puerto Rico 16, South Carolina 27

North Carolina has 100% reported

Congratulations to the North Carolina District for getting all of their required Reports completed and turned in as required. Supreme cannot forward information to the Faithful Navigator and Faithful Comptroller without having their names, addresses and telephone numbers. These Forms must be completed and copies forwarded to the District Master, Vice Supreme Master and Supreme Master. Let's get the job done. Two Exemplifications have been scheduled for August - Naples, Florida on August 16 and Myrtle Beach, South Carolina on August 23. We are hoping for two large classes, so please get all the paperwork for your candidates to the Master as soon as possible.

While we are on the subject of membership, our Province finished tied for fourth out of 20 Provinces in total membership for the previous fraternal year. The DeSoto Province finished the year with a total of 80% of our membership goal. My thanks to all who helped us achieve this level. Our Province added 1,373 new members throughout the year. The highest net gain of membership was achieved by the Georgia District with a total of 76% of their membership goal (285 new members).

Many thanks to all the Sir Knights who participated in parades, public displays or religious ceremonies promoting the birthday of our nation.

By the time you read this message, the Supreme Convention will be history and I will report on the highlights of the Convention in my next newsletter. The Fourth Degree will be involved with many responsibilities during and immediately after the Convention. A relic of St. Pope John Paul II will be displayed for veneration during the Convention and the weekend immediately following it.

Donations are still being requested for the Military Chaplain's Fund. The Knights of Columbus has raised a total of \$838,619.82 to date in the first three years. This five year program to provide \$1,000,000.00 in seed money to assist Seminarians will end a year ahead of time provided we raise the final \$169,000.00 needed to fulfill this commitment. This goal is not unreasonable or unattainable as we raised more than that during each of the previous three years. We need your help. If you have not done so already, please consider making a donation to this worthy cause. Of course, we encourage everyone who has previously donated to possibly consider helping us again. Checks should be made payable to "Knights of Columbus Charities" and on the memo line write "Military Chaplain's Fund." Mail to "Gary L. McLain, VSM, 36 Currant Ave, Middleburg, FL 32068." As always, if you have any questions, do not hesitate to contact me at (904) 406-2718 or garymc36@comcast.net.

I hope that everyone has had an enjoyable summer and as vacations wind down or are over, it is time to get back to work. Let's do our best to help our communities, Church and our Order.

Fraternally,

just beneath the relic and at the base is his coat of arms. South Carolina took some of the top honors when awards time came. These awards accepted by Richard Gabriel were for the outstanding work all of South Carolina Councils did on Membership and Service Program during the 2013-2014. The States 1 Triple Star Council, 5 Double Star Councils and 11 Star Councils were one of the reasons South Carolina stood out above the others.

I would like to thank you for the opportunity we have to do more service programs with the new members you have brought in so far this year. Keep in mind the more members we have the more we can do for our churches and community. Many of you are taking advantage of the incentives that were announced at the GK Workshop. Remember 3 new members the council earns \$50.00 cash. 5 new members the council received \$100.00 cash. DD's are eligible for \$100.00 cash if their councils get 20% of their years goal in August. And all proposers get their name in a pot for a \$100.00 drawing for August, Sept, Oct. Will you be the winner??

The District Deputy may also need to advise officers on the proper protocol for members during meetings. Then proceed to the programs section, click on "prolife information" and in the white box click on whatever topic you need. We covered this more in depth at the Grand Knights workshop on July 26th. If there is a pro-life issue that I can assist you with, please contact me.

We look forward to personally meeting you soon.

On Saturday, August 2nd Dee and I were privileged to celebrate Mass at St. Mary's Church in Greenville with a group of young ProLifers. After Mass we shared breakfast with them to learn more about their mission and their personal experiences on their coast to coast trek. Los Angeles was their beginning point and Washington, DC was to be their final stop. The mere presence of these young adults made heads turn, faces were either smiling or questioning but one couldn't help but notice their polite demeanor and determination to get back on the road. They were, however, patient with us and shared their purpose and experiences. The reasons for their joining the team were as varied as their personalities. Their common denominator was that they were all there to make a difference and hopefully make at least one woman change her mind about abortion.....one life saved is worth the inconveniences they may meet in the course of their trip. One of the young ladies was approached by a woman in Texas who asked if she could do three things for her. The first was for the team to pray for her health, the second petition was for the team to pray for her son who suffers with an addiction problem, and the third was spoken with tears in her eyes as she requested that they pray for her daughter in heaven, "Pray that she doesn't hate me". This is one of many stories they have to share.

I pray that we all are so inspired by the dedication and determination of this courageous group of young people that each of us stand up and show our support for Pro-Life. Special Thanks to Charles Bathon of Council 13112 for housing and caring for the group on their way through Greenville.

Blessings
