

Catholic Charities of SC

Informed and inspired through the mission of the Church, Catholic Charities of South Carolina promotes dignity and respect for all, ministers to the spiritual and physical needs of those who need our help, and acts to break the cycle of poverty in the Palmetto State. In God, we believe all things are possible.

Since March 1945 Catholic Charities of SC has served the most vulnerable. Our 11 offices across the state minister in a variety of ways depending on the needs of the local communities. We strive to meet people where they are, whether they need help with immediate needs or want to make lasting changes in their lives.

Here in Charleston Catholic Charities of SC provides food, clothing, dentures, and help with emergency needs. Our client-choice food pantry feeds over 2,000 individuals each year while providing them the dignity of choosing their own food from the pantry shelves. We recently opened a clothing closet in response to an expressed need from our clients. In its first few months we provided clothing to over 200 people.

We help with emergency financial needs such as utility bills or medical expenses. By providing a way to “bridge the gap,” we help keep individuals and families out of homelessness. We partner with local dentists to provide free dentures to people who have long lacked adequate dental care. This enables clients to eat nutritious food and move through the world with greater confidence.

Thank you for your support of our work. Through your generosity, we will be able to help more people in Charleston lead safe and healthy lives.
